## SCHEDULE B

### THIRD PARTY SOURCES SUPPLEMENTAL TERMS

The following provisions are supplemental terms which must be agreed to by Licensee in order for CMI's business partners to comply with HIPAA and other contractual requirements placed on them. CMI requires that Licensee agree to this Addendum so that CMI may provide services to Licensee.

1. Persons who use SEVOCITY® for electronic prescriptions must be Providers who are licensed medical professionals with the right to prescribe medicine.
2. CMI, if presented with evidence of reasonable cause to suspect violations of the Agreement shall have the right to audit Licensee's records to ensure Licensee's compliance with Licensee's obligation to secure and maintain written consents from all patients. CMI shall have the right to transfer these audit rights to one of its business partners, provided that any such audit must be conducted with at least five (5) days' notice, during normal business hours at a mutually agreeable time, and that the cost of any such audit will be borne by CMI or the party conducting the audit.
3. CMI and its business partners reserve the right to share certain account or other information with third parties, when there is a good faith belief that the law or legal process requires it, or when it is necessary to do so to protect the rights or property of CMI or others.
4. CMI shall have the right to add future provisions which may be for the benefit of CMI and or its business partners, including changes required by changes in federal, state or local law (including HIPAA), or upstream requirements by CMI's vendors.
5. It is understood and agreed by both CMI and Licensee, that CMI's business partner, DrFirst.com, Inc. (DrFirst) and DrFirst's business partner, Surescripts, shall each be an intended third party beneficiary of this Agreement with respect to those provisions which require Licensee's compliance with HIPAA, protection of confidential information, and protection of third party intellectual property. It is further understood and agreed that DrFirst and Surescripts, as intended third party beneficiaries with respect to these provisions, may enforce compliance with these provisions if there is a breach or threatened breach of their rights.
6. DrFirst, with ten (10) days written notice, and Surescripts without notice, shall have the right to access, inspect and review all records related to information and prescription data provided by or through the Surescripts network through SEVOCITY®.
7. Licensee shall not, and shall ensure that its Authorized Users do not, use any means, program or device to influence the decision of an Authorized User to write a prescription for a certain medication or to send the prescription to a certain pharmacy; provided however, that information related to formulary and benefit plan design and information from payers or other reputable sources providing clinical information shall be exempt from this prohibition, so long as the Provider can still access all pharmaceuticals and the Provider or patient is not prohibited from selecting a pharmacy.
8. Licensee acknowledges and agrees, and shall have each of its Authorized Users acknowledge and agree, that the prescription benefit and medication history information provided is not accurate or complete, and that CMI, Dr. First, Surescripts, the pharmacy, pharmacy benefit manager, payor or other data source provides no representation or warranties with respect to the accuracy or completeness of the prescription benefit or medication history information. Furthermore, Licensee releases, and shall by contract, cause each of its Authorized Users to release and hold harmless, DrFirst, Surescripts, CMI and any other person or entity providing prescription benefit or medication history information from any liability, cause of action, or claim related to the completeness or lack thereof of the information. Licensee and each of its Authorized Users shall confirm this information with the patient before providing medical services, and use his/her professional judgment in the provision of care.
9. Licensee shall ensure that all messages transmitted to DrFirst originate from Authorized Users who are employed by, subject to the direction and control of, or otherwise are licensed, registered and authorized Providers registered with CMI.
10. CMI and DrFirst shall have the right to use the prescription data provided to DrFirst in any manner, so long as it is in compliance with all applicable state and federal laws and regulations, including but not limited to the ability to de-identify and aggregate the prescription data.
11. The AMA licenses CPT to CMI for use in SEVOCITY®. The AMA is a third party beneficiary of this Agreement. Licensee grants CMI permission to provide the AMA with Licensee's name and a copy of this Agreement. Licensee will ensure that anyone with authorized access to SEVOCITY® will comply with the provisions of this Agreement. Licensee will keep complete and accurate books and records concerning this Agreement for at least three (3) years following the year to which they pertain.

12. If requested by CMI or the AMA, Licensee agrees to accurately calculate and count and report to CMI, on a quarterly basis on dates specified by CMI and on a form required by CMI, the following information:

CMI or its representatives may, at CMI's expense and no more than once per year, audit and copy Licensee's records pertaining to this Agreement at Licensee's location in the presence of Licensee's personnel or representative. If the audit discloses that Licensee's reports were over-reported or under-reported by five percent (5%) or more in any reporting period, Licensee will reimburse CMI for the cost of the audit.

Sand Dune Mail Ltd. is the third party provider for the SMTP2GO service associated with the unencrypted email service in SEVOCITY® (for email communications from Licensee to patients and from patients to others) and is a third party beneficiary of this Agreement. Licensee agrees that it shall have obtained prior permission from any recipients to send them emails. Licensee agrees that it will not send unsolicited marketing email (i.e., without proper permission from recipients) and shall not send any unsolicited emails of any kind. Use of the email service is solely at Licensee's risk, and Licensee shall indemnify and hold harmless CMI and Sand Dune Mail Ltd. from and against any and all claims, damages, and costs (including reasonable attorneys' fees) relating to or arising out of (i) any acts by Licensee or materials or information transmitted by Licensee in connection with the email service, regardless of the type of claim or the nature of the cause of action, and (ii) a patient's right and ability to send unencrypted medical information at the patient's direction.
